REPORT OF COMMITTEE ON EDUCATION

Despite the disaster and distress in the present world crisis, we

recognize our obligation to support those institutions which contribute to sane mental and spiritual civilization.

One of our obligations to the Church and our youth is that of Christian education. We endorse our own church schools: Emmanuel College, Emmanuel Academy, Holmes Bible College, and the Falcon Elementary and High School with its supplemental and extension courses.

We further endorse the program of teaching the Bible in the public schools of our state and recommend that in cities and communities within the bounds of our conference where such courses are offered that we do everything possible to give cooperation and support to this work.

We recommend that all pastors aid and assist our prospective ministers in preparation of the course of study pursuant to the conference course offered to obtain license for the ministry.

We recommend the Pentecostal Holiness Advocate, Youth's Leader, and the North Carolina Conference Evangel, and any other sane and wholesome literature in harmony with the doctrine of the Pentecostal Holiness Church; also that the pastors urge their members to subscribe to, and to circulate this literature among the people of their pastorates.

We recommend that each church appoint a competent person to distribute literature on the subject of Temperance, and that the Conference Committee on Temperance Education be composed of: President of the P. H. Y. S.; the Conference Representative on the Board of Directors of the Allied Church League for the Abolition of Beverage Alcohol; and the Conference Superintendent of Sunday Schools.

Respectfully submitted,

A. H. Butler,
Mrs. C. N. Bostic,
Adele Ellis.

Report of Committee on Finance

We, your Committee on Finance recommend the following:

1. That all lay members place their tithes into their local church treasury, and that each pastor encourage election of church officials who comply with above recommendation, providing such election would not endanger the unity of spirit in the church.

2. That all ministers of the North Carolina Conference pay 50% of ministerial and secular tithes into Conference treasury, and 50% into the church where he or she places membership, or churches he or she may pastor.

3. That no minister be allowed to hold official position in the Conference who does not comply with this financial system.

4. That all churches pay their pastor his regular salary for the Sabbath during Annual Conference session.

5. In view of the fact that the General Conference is asking for special funds, viz.; Home Missions, Bishop's salary, Educational purposes, and General Superannuate fund, we recommend that the churches have a central treasury, and ten per cent of receipts be paid into Annual Conference Treasury, and Conference pay pro rata part into General Treasury.

6. That the Conference Superintendent be paid $175.00 per month, and three cents per mile for official traveling expenses for ensuing year.

7. That the following appropriations be made:

15% of conference receipts be appropriated to EVANGELISTIC FUND; 20% of conference receipts be appropriated to SUPERANNUATE FUND.

Allied Church League for Abolition of Beverage Alcohol	$ 50.00
Emmanuel College	100.00
Holmes Bible College	100.00
Conference Secretary	75.00
Treasurer of Superannuate Fund	15.00
Treasurer of Conference Fund	25.00
Rev. H. W. Farmer	100.00
Rev. J. W. Wilson	25.00

8. That Treasurer of Conference Funds be paid $25.00 per quarter for his services during the ensuing year.

9. That the Conference Board be granted authority to formulate a plan whereby a deserving pastor may receive sufficient financial aid from the Conference Treasury to enable him to devote his full time to his appointed work. Such plan to become effective as early as practical.

Respectfully submitted,

J. G. Spivey, Chairman,
Harvey Morris,
H. A. Morris.

Report of Committee on Temperance and Public Morals

We, your Committee on Temperance and Public Morals, desire to submit the following report:

Your Committee feels that the spiritual enrichment of the lives of our members may be accomplished by patterning our lives after the instructions in God's Word and adherring to the glorious truths for which we as a church stand and preach.

We feel that emphasis should be placed upon temperate living in these days of distress and strain, and that in our homes parents should provide an atmosphere conducive to Christian living. Pastors should counsel with parents about things that endanger the moral and spiritual and physical welfare of the children in our homes and do all possible to foster and promote righteous deportment.

The teaching and training agencies of our churches are suggested as channels through which to instruct our youth in proper health standards, the evils of intemperance, the abstinence from the use of alcoholic beverages and other habit-forming indulgences.

Viewing the dangers facing all our people, but particularly our youth, because of war-time conditions which always breed drunkenness and immorality, we would call upon our people to be on the alert in defense of our homes, our family altars and the national home front. We urge our ministers and membership to always oppose the evils of the liquor traffic by instruction, active support of those who fight the liquor traffic, and voting against the nefarious business.

We should here to record our support of the Allied Church

League for the abolition of Beverage Alcohol, and join in the fight to drive liquor from the state of North Carolina.

It is further recommended that our pastors, when preaching temperance sermons, give full and honest facts about America's No. 1 enemy, the liquor traffic, and its evil consequences.

In these days of war-time marriages, we urge our people to seriously consider the sanctity of marriage and the home and call upon pastors to encourage the Christian home by visitation, with family worship being held upon the occasion of the pastoral visits.

Finally, in our public worship we would urge a greater respect for the Sanctuary of God, the public reading of the Scriptures, and proper decorum on the part of the congregation. We would therefore direct the attention of ministers and deacons to this important matter.

Respectfully submitted,

T. O. Todd,
D. J. Little.

Report of Committee on Missions

To the Church of Jesus Christ has been committed the ministry of reconciliation, which devolves upon each member a great responsibility, and offers to them a glorious privilege. Christ by His love and command, has shown, that only as we acknowledge

and pay our debt to lost humanity can we discharge our obligation to Him. In view of this and of the immediate need of the field and the crises that now face our church we your Committee on Missions earnestly recommend:

1. That one missionary service continue to be held at each Annual Conference.

2. That at least one sermon on missions be preached in each of the district conferences during the year.

3. That all members of the conference pledge themselves to pray more earnestly and give more sacrificingly that the needs of the missionaries on the fields may be supplied and that more laborers may be sent to the fields white already unto the harvest.

4. That each evangelist preach at least one sermon on missions and take one offering during evangelistic meeting.

5. That each pastor preach at least one sermon on foreign missions during each quarter, bringing before the people the present needs of the fields.

6. That each pastor take an active part in organizing a missionary society in each of his churches, urging each member and others to join.

7. That each society arrange such programs each month as are calculated to inspire the members to zealous activity in carrying out the command of Christ, "Go ye into all the world and preach the gospel to every creature."

8. That the deacons and pastor co-operate with the president of missionary societies in having the regular programs and allowing nothing to hinder the offerings.

9. That those who have war bonds give them to the cause of foreign missions to be used for our post war program.

10. That each of our churches participate in raising the proposed $100,000 special fund for our post war foreign mission program.

Signed:

W. H. Turner,
C. B. Strickland,
J. W. Wellons.

Report of Committee on Conference Evangelism

We have come to the time in the life of the N. C. Conference when we feel that we should give the more earnest heed to the teachings of Christ, spreading the gospel to all mankind.

We, your committee on Conference Evangelism submit the following report for your consideration and adoption.

1. That an over-all program be adopted that will bring to life the N. C. Conference in the field of evangelism and church extension.

2. That the conference elect an evangelistic committee consisting of three who will have the right, and be responsible for evangelism in the N. C. Conference, and its promotion; said committee to be in charge of all conference evangelistic equipment. We further recommend that the Conference Superintendent head this committee and that wisdom be used in electing a treasurer and committee member to complete this committee.

3. That all evangelistic funds be forwarded to the evangelistic treasury.

4. That each district elect a committee of three on evangelism who will work in coordination with the committee of evangelism. The chairman of each committee will serve as director of evangelism in their respective district.

5. We further recommend that three cents per mile be paid for traveling expenses in connection with conference evangelism in the N. C. Conference.

6. That every available man or woman be used to spread Pentecostal Holiness in the N. C. Conference, and every available tent or building be used in new fields to preach Pentecostal Holiness in during tent season.

7. That subscriptions to the Advocate, Youth's Leader and conference Evangel be taken in each evangelistic campaign, and religious tracts and books be distributed.

8. That an advertising program be studied, and printing be secured which will be suitable for any party or meeting.

9. That special evangelistic services be held in each church and offerings be made for evangelism.

10. That due caution and planning be made in all evangelistic programs, so there will be no carelessness or waste of funds.

Respectfully submitted,

V. W. Callahan,
S. J. Williams,
Joe L. Russell.

Report of Committee on Orphanage

It is recommended that the report of the Committee of last year be incorporated as a part of this report and that it be re-emphasized.

Report of Last Year

The labor and service of Mr. J. A. Culbreth has been that which deserves the greatest expression of appreciation. We are grateful to God for him who has given his life to this great cause, which has been such a great blessing to the homeless. We think God has used this humble life to express the true principles of the Christian religion in this modern age.

We, the North Carolina Conference, do accept the challenge of Brother Culbreth to improve, enlarge and perpetuate this orphanage.

We ask that each church give place to the Falcon Orphanage in its budget, providing for systematic and regular support. Also, that special prayer be offered for the orphanage officials in their task.

We recommend that the North Carolina Conference submit to the General Board the following:

We do hereby pledge our cooperation and support in any plan which you devise for establishing a modern orphanage plant with adequate facilities to take care of the homeless children which God in His own providence may lead us to care for. Also, the establishing of school facilities for orphanage students at Falcon through high school grades.

In addition to the recommendation contained in the above report, we submit the following:

That each local church place the orphanage in its budget for a definite amount monthly which should equal 10% of the pastor's salary as a minimum amount.

That a Sunday in each month be designated as Orphanage Sunday, and a regular contribution be made at that time.

That some organization in each church adopt a child in the Falcon Orphanage for support and encouragement.

That any church able to do so contribute $100 for the furnishing of a room in the orphanage.

That the Falcon School Alumni Association be commended for the efforts to raise funds for the repair of the school building.

That the General Board and General Conference be petitioned to inaugurate a campaign to raise $100,000 or more for the building of a modern orphanage plant as soon as the war is over.

That the General Board be asked to place the orphanage in their budget for aid.

That the Official Board of the N. C. Conference place the orphanage in the budget for any aid they may see fit.

That every effort be made to encourage our people to carry out the Biblical injunction to care for the fatherless and neglected children.

Signed:

A. C. Holland,
W. B. Godwin,
Ethel Strickland.

Report of Committee on P. H. Y. S. and Sunday School

Since it is true that the youth of today are the hope of the church of tomorrow, as well as a part of it today, we feel that the church should do its utmost to train them in the truth and principles of the Bible; and since the Sunday School and P. H. Y. S. provide an excellent channel through which to do this, we recommend:

1. That the Sunday School Evangelist work out a practical plan whereby each church can have a system of teacher training for their Sunday School staff.

2. That each church put on a drive to increase the Sunday school attendance by canvassing the community and bringing in to the Sunday school all who are not attending Sunday school elsewhere.

3. That the Conference P. H. Y. S. President arrange for a Daily Vacation Bible School in all churches where it is practical. In connection with this that a youth's revival be conducted.

4. That a Youth's Director be appointed in each district by the Conference P. H. Y. S. President in collaboration with the Conference Board.

5. That a P. H. Y. S. Convention be conducted in each district. That there also be an Annual P. H. Y. S. Convention and Youth's Training Institute conducted separate from the Annual Conference and camp meeting, the details of which to be worked out by the Conference Board and P. H. Y. S. Board.

6. That every Sunday school and P. H. Y. S. work together to provide a library, having a plan whereby they can encourage the reading of good literature.

7. That a reporter of P. H. Y. S. activities in the conference be appointed by the P. H. Y. S. Board.

8. That every society strive to make each member a subscriber to the "Youth's Leader."

9. That the pastors and officials of each church cooperate with P. H. Y. S. in supporting P. H. Y. S. Officials when they are visiting in the interest of the work.

10. That a space for 250—300 words be given in the Evangel for a P. H. Y. S. Department, the editor of which to be appointed by the (P. H. Y. S.) Conference Board.

11. That space be given in the conference minutes for the publishing of the Annual P. H. Y. S. minutes. The expenses of publication will be worked out between the Annual Conference Board and the P. H. Y. S. Conference Board.

Mavis Lee Oakley,
Pauline Narron,
W. H. Hudnell.

Report of Committee on Conference Parsonage

We, your Conference Parsonage Committee, submit the following:

The N. C. Conference Parsonage Committee was appointed by the Official Board to form plans by which to purchase a conference parsonage.

The committee met in Goldsboro, N. C., May 6, 1944, and decided to investigate certain localities. Goldsboro, Kinston, and Rocky Mount were the places decided upon. After certain investigations it was decided that Goldsboro would be the best location for such parsonage.

There have been donations made to this fund amounting to approximately $160. We hereby recommend that this matter be presented to each local church as early as possible after the adjournment of this conference, by the pastor or someone authorized to do same, and a liberal offering be taken.

Respectfully submitted,
W. E. Thompson,
W. J. Noble,
V. W. Callahan,
O. T. Howard.

Report of Committee on Resolutions

We, your Committee on Resolutions submit the following resolutions:

1. Resolved that seeing the need of Christian training and reading of good literature, we request that the youth of our church have access to "Youth's Leader," and other church papers.

2. That all societies make special effort to conduct Vacation Bible Schools in the churches.

3. In regards to public morals, we wish to use our influence against the use of strong drink in any form and to see that the youth do not read obscene literature. We deem it necessary to make known the harmful effects of the moving picture show, and our youth dress as becometh holiness, and that special effort be made to instill a spirit of reverence among our people for religious services.

4. The P. H. Y. S. of N. C. requests the N. C. Annual Conf. to provide a place in their minutes for the publication of the annual minutes, and if this does not meet the approval of the Annual Conference, the P. H. Y. S. will publish a separate minute. The expenses of publication will be worked out between the Annual Conference Board and P. H. Y. S. Board.

5. We recommend that the P. H. Y. S. Convention of N. C. be held separate from Conference Camp Meeting, and that a five day Training School be conducted in connection with the Convention.

6. We request that our delegation to the General Conference express its approval of a radio nation-wide Pentecostal Hour.

7. We recommend that every society use the official report blanks for making reports.

Respectfully submitted,

T. O. Todd, Chairman,
John B. Parker,
Ruth Tew,
Daisy G. Jones,
V. W. Callahan.
